Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, June 2013. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in the Quayle Vice Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly

responsive to the subject area.

Scope and Content

The materials in FOIA 2013-0362-S [8] are the documents maintained by the National Security Affairs Office as the Working Files of Carnes Lord and Karl Jackson. These records consist of correspondence, forms, lists, press releases, printed material, remarks, and schedules.

The internal Office of the Vice President (OVP) correspondence contains schedule proposals, appointments requests, and information for meetings. Forms consist of Vice Presidential Gift Tracking forms for gift to VP Quayle, Mrs. Quayle, and Karl Jackson. The enclosed lists are telephone logs for Karl Jackson. Press releases contain biographies of VP Quayle, Mrs. Quayle, Carnes Lord, Karl Jackson, and other OVP personnel; summaries of VP Quayle's activities; and a fact sheet on the President's Council on Competitiveness headed by the VP. Printed material includes interviews with Karl Jackson, newspaper clippings about VP Quayle, and an op-ed on antitrust expansionism. The remarks consist of statements by President Bush and James Baker on Yugoslavia, and speeches by Karl Jackson on Indonesia and Indochina. Also included are daily meeting schedules for Carnes Lord and Karl Jackson.

The following is a list of documents and folders processed in response to FOIA 2013-0362-S [8].
