Extent

20 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, September 2013. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in the Bush Vice Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Scope and Content

The materials in FOIA 2013-1205-S are foreign travel files maintained by the Office of National Security Affairs.

The materials consist of correspondence, printed material, remarks, reports, and schedules. Internal OVP correspondence provides background and makes arrangements for the Bush's trip to Europe. Printed material consists of pamphlets about a private humanitarian aid initiative in Poland. The remarks are arrival statements, toasts, public speeches, and statements to press by VP Bush in Poland, Germany, and Belgium. Reports include fact sheets on topics such as human rights, humanitarian assistance, and trade legislation related to the countries visited. Also included are schedules and descriptive event scenarios for the various stops on VP and Mrs. Bush's European trip.

The following is a list of documents and folders processed in response to FOIA 2013-1205-S.
