### Inventory for Systematic Request 2014-0885-S

## Donald Mahley Chronological Files

#### **Extent**

7 folder

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, July 2014. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this systematic request were found in one collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

## **Scope and Content**

The materials in Case Number 2014-0885-S are a systematically processed body of documents from the chronological files of Donald Mahley, who served as Director of Defense Policy and Arms Control on the National Security Council from 1984 to 1990. These records consist of correspondence, press releases, printed material, remarks, reports, and talking points.

It should be noted that a significant number of the documents listed here are security classified and have been closed under the restrictions of the Freedom of Information Act.

The following is a list of documents and folders processed in response to Case Number 2014-0885-S.
