Records on Pearl Mae Bailey

Extent

20 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, October 2014. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Scope and Content

The materials in FOIA 2014-1250-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-1250-F contains materials from agencies and individuals including President and Mrs. Bush, Pearl Mae Bailey, Louie Bellson, and the United Service Organization (USO) which is a private non-profit with the mission to support the troops. The president of the USO at the time was Charles Hagel.

The White House Office of Records Management (WHORM) Alphabetical Files contain photographs and letters between Pearl Bailey and Mrs. Bush.

The WHORM Subject File categories contain correspondence; memoranda; gift registers; notes; and photographs from the general public and the Bush administration. WHORM Subject File GI002 concerns gifts and cards sent to the President and Mrs. Bush by Pearl Bailey. WHORM Subject File ME002 contains material related to the presidential message for the USO's 50th anniversary celebration which honored Pearl Bailey. WHORM Subject File PP005-01 contains correspondence between Mr. Louie Bellson and Mrs. Bush after the passing of Pearl Bailey.

The Staff and Office Files contain memoranda, speech drafts, press releases, questionnaires, and résumés concerning the appointment of Pearl Mae Bailey as a US Representative to the 44th Session of the General Assembly of the United Nations.
