559 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, February 2015. Previously restricted materials are added as they are released.

System of Arrangement

Records that for systematic project were found in one collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Scope and Content

The materials in Case Number 2015-0018-S are a systematically processed body of documents from the files of Charles A. Gillespie, Senior Director for Latin America and the Caribbean at the National Security Council. The records consist of correspondence, press releases, printed material, remarks, and reports. These records address issues such as drug trafficking, economic and military aid, elections, environmental issues, human rights, humanitarian aid, immigration, political relations, and trade in Latin America and the Caribbean.

It should be noted that a significant number of the documents listed here are security classified and have been closed under the restrictions of the Freedom of Information Act.

The following is a list of documents and folders processed in response to Case Number 2015-0018-S.
