Inventory for FOIA Request 2015-1037-S [1989]

Records on Presidential Record System (PRS) Series of the National Security Council Executive Secretariat—1989

Extent

670 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, April 2012. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection areas—Bush Presidential Records: Staff and Office Files. As policy, Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing.

Related Collections

Related material may be found in FOIA request 2015-1037-S [1990], 2015-1037-S [1991], 2015-1037-S

[1992], and 2015-1037-S [1993].

Scope and Content

The materials in FOIA 2015-1037-S are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2015-1037-S contains correspondence from private citizens, business and industrial leaders to the President or his Assistant to the President for National Security Affairs (APNSA), Brent Scowcroft; routine transmittal memoranda between Presidential staff members and/or the President or APSNA; records of conversations and correspondence between the President and foreign Heads of State; meetings between the APSNA, or other identified NSC staff members with Foreign Ministers, Defense Ministers, Ambassadors, U.S. members of Congress and private citizens; NSC profile sheets describing official meetings or social events, including dinners, funerals, State or Working visits; facsimile transmittal coversheets; charts and tables depicting public information on economic data of individual countries, etc.; congratulatory telephone and cable communications; public Presidential statements and speeches; schedule proposals, meeting arrangements for the President, or APNSA, with various foreign, administration or Congressional officials; travel arrangements/schedules; press releases; presidential press statements; government published Congressional reports and Presidential Determinations; reports to the Speaker of the U.S. House and the President of the U.S. Senate; copies of newspaper articles or privately published reports, or papers, on international current events, foreign policies, etc.; and briefing books for Presidential trips or Presidential delegations abroad.

Please note that these materials have been arranged in numerical order for ease of research. The documents were originally filed in reverse order—most recent in the front of the folder. Those activities listed with no staff member name or designation denotes Presidential activities/attendance.
