Inventory for FOIA Request 2015-1374-F

Selected Records on Bolivia and the National Security Council

Extent

42 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, October, 2015. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Related Collections

Related material may be found in FOIA requests: 1998-0029-F entitled "Records on Prisoners of War—Missing in Action (POW-MIA) Issues;" 2004-0722-F entitled "Records on US-Panama Relations/Operation Just Cause (Bush Presidential);" 2004-0728-F entitled "Records on US-Nicaragua Relations [Bush Presidential Records];" 2005-0995-F entitled "Bush Presidential Files on Cuba;" 2011-2116-F entitled "Records on Central American and Caribbean Immigration;" 2012-3123-S entitled "Robert Morley Files;" 2014-0870-S entitled "Richard Childress Files."

Scope and Content

The materials in FOIA 2015-1374-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2015-1374-F contains selected materials on Bolivia and NSC Staff members Briggs, Morley, McShane, and Childress.

The WHORM Subject File category was previously processed under case number 2011-1296-S. Please see the finding aid for WHORM Category CO020—Bolivia.

The Staff and Office Files were previously processed under the above listed related collections. Please see the finding aids for these collections for a detailed description of the included materials.
