Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Scope and Content

The materials in FOIA 2016-0079-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2016-0079-F contains materials from Susan Porter Rose's files. Records include letters, notes, and memos. There is correspondence from Mrs. Bush to Mrs. Spiro Agnew, Mrs. Gerald R. Ford, Mrs. Jacqueline Kennedy Onassis, and Mrs. Walter Mondale. Topics include birthday wishes, the White House Endowment fund, Ladies of the Senate luncheons, and the 10th anniversary of the Betty Ford Center.

There is also a memo from the White House Head Usher, Gary Walters to Susan Porter Rose on general office business and an article from August 1989 concerning the Usher's Office.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.
