Inventory for FOIA Request 2016-2424-F

Records on the Fair Housing Amendments Act

Extent

11 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, June 2016. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—Bush Vice Presidential Records: Name Files; Bush Vice Presidential Records: Subject Files; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not

wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Related Collections

Related material may be found in FOIA request 2004-1891-F entitled "Records on Fair Housing, the 1992 Los Angeles Riots, and Intermodal Surface Transportation Act of 1991."

Scope and Content

The materials in FOIA 2016-2424-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2016-2424-F contains materials related to the Fair Housing Amendments Act of 1988 (FHAA) and earlier, but unpassed, versions of the act discussed during the Bush vice presidency. The FHAA amends the Civil Rights Act of 1968 to include persons with a disability and families with children from discrimination in housing sales, rentals, or financing and established an administrative enforcement mechanism to respond to discrimination violations. Materials include records from the United States Department of Housing and Urban Development (HUD) whose mission is to create strong, sustainable, inclusive communities and quality affordable homes for all. During the Bush vice presidency, Samuel Pierce was the Secretary of HUD.

The White House Office of Records Management (WHORM) Alphabetical Files contain correspondence between HUD Secretary Samuel Pierce and Vice President Bush and his staff regarding issues and media coverage of housing matters.

The WHORM Subject File category contains correspondence, an invitation, and talking points for an April 1, 1985 HUD sponsored event asking Vice President Bush to be the featured speaker.

The Staff and Office Files contain correspondence, memoranda, press releases, reports, an agenda, a transcript, biographical profiles, and summaries related to the FHAA, Secretary Samuel Pierce, housing related administration accomplishments, and affordable housing construction.
