Inventory for FOIA Request 2016-2614-F

Records on Chinese Student Protection Act

Extent

32 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, October, 2016. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly

responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Related Collections

Related material may be found in FOIA request 2000-0950-F entitled "Tiananmen Square (Selected Files);" 2000-1204-F entitled "World Bank Loans to China after Tiananmen;" and 2008-0130-F "Tiananmen Square (Additional)."

Scope and Content

The materials in FOIA 2016-2614-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2016-2614-F contains materials from agencies and individuals including the United States Information Agency (USIA); the Department of Justice, the White House, the United States Senate and United States House of Representatives, Chinese-American Leaders.

The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. Throughout the staff files are newspaper articles and editorials evaluating President Bush's China policy. There are also copies of letters from prominent members of the Chinese-American community and US Congressmen expressing views on the veto of H.R. 2712 and the Bush Administration's policy toward China in the days after Tiananmen Square. Memos and notes between agency officials and White House staff offer comparisons of the Pelosi Bill (H.R. 2712) and the President's executive action, meetings with Chinese leaders and students, and talking points for conversations with Senators whose votes were needed to sustain the veto.

The following is a list of documents and folders processed in response to FOIA 2016-2614-F.
