Inventory for FOIA Request 2017-0098-F

Records on Denmark

Extent

311 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, November 2017. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in seven collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files; Bush Vice Presidential Records: Name Files; Bush Vice Presidential Records: Subject Files; Bush Vice Presidential Records: Staff and Office Files; and Quayle Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method

maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Scope and Content

The materials in FOIA 2017-0098-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2017-0098-F contains materials from agencies and individuals concerning the Kingdom of Denmark.

The White House Office of Records Management (WHORM) Alphabetical Files contain a letter from a United States citizen asking for assistance in returning from Denmark.

The WHORM Subject Files categories contain correspondence; memoranda; news clippings; and brochures from the general public, Congress, and the Bush administration. WHORM Subject File CO041 deals with Denmark exclusively. Additional records concern invitations for the Bushes to the Rebuild Independence Day Festival and suggestions for ambassadorships.

The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. The majority of these records concern the state visit of Queen Margrethe and Prince Henrik in February 1991. There are also a number of forms and memos concerning official travel by members of the administration to Denmark.

The Vice Presidential Name and Subject Files contain correspondence, articles, and press releases on topics such as the African AIDS epidemic and the Rebuild National Park Society.

The Vice Presidential Staff and Office Files contain correspondence and memos related to visits by Danish Prime Minister Poul Schlüter in 1982 and Mrs. Schlüter in 1983.

The Quayle Vice Presidential records are related to the 1991 Danish Embassy reciprocal dinner held by Queen Margrethe II.

The following is a list of documents and folders processed in response to FOIA 2017-0098-F.
