### **Inventory for FOIA Request 2017-2149-F**

## **Selected Records on Food Stamps**

#### **Extent**

301 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, December 2018. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in five collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files; Bush Vice Presidential: Subject File; and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the

subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

### **Scope and Content**

The materials in FOIA 2017-2149-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2017-2149-F contains materials from agencies and individuals including the White House, Department of Agriculture, Department of Health and Human Services, and the Social Security Administration.

The White House Office of Records Management (WHORM) Alphabetical Files contain letters from the general public and responses from federal agencies concerning food stamps. The majority of these letters are from members of the public seeking White House assistance with the food stamp and social security programs.

The WHORM Subject File categories contain general correspondence concerning food stamps and welfare.

The Staff and Office Files contain reports on food stamp programs, including a feasibility report on an electronic food stamp program in Pennsylvania.

The Bush Vice Presidential subject file contains a letter and articles from a member of the public concerning food stamps and the oil industry.

The Bush Vice Presidential Staff and Office files contain a report from the Task Force on Regulatory Relief concerning food stamps.

The following is a list of documents and folders processed in response to FOIA 2017-2149-F.
