Records on Mrs. Bush's Commencement Address at Wellesley College June 1, 1990

Extent

102 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, December, 2017. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a

folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Related Collections

Related material may be found in FOIA request 1998-0528-F entitled "Records on First Lady Barbara Bush Speeches;" 2007-0577-F entitled "Records on Selected Barbara Bush Speeches;" and 2013-1997-F entitled "Records on Bennett College Commencement Speech."

Scope and Content

The materials in FOIA 2017-2163-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2017-2163-F contains materials from individuals including Mrs. Bush' staff, White House staff, and Wellesley staff concerning her speech there June 1, 1990.

The WHORM Subject File categories contain letters from the general public and administration officials concerning the planning of and response to Mrs. Bush's June 1990 commencement speech with Mrs. Raisa Gorbachev at Wellesley College in Wellesley, Massachusetts.

The Staff and Office Files contains further correspondence; memoranda; news clippings; and brochures from the general public and the Bush administration. There are multiple copies of Mrs. Bush's remarks in both final and draft form. There are also a number of draft and final schedules for the day. Correspondence includes letters from Nannerl Keohane, President of Wellesley College. There are a number of newspaper clippings documenting the both pre- and post-speech reactions of the public.

The following is a list of documents and folders processed in response to FOIA 2017-2163-F.
