### Inventory for FOIA Request 2017-2165-F

## Selected Records on Mrs. Bush's Republican National Convention Speech

#### **Extent**

17 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, March 2018. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not

wholly responsive to the subject area.

### **Scope and Content**

The materials in FOIA 2017-2165-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2017-2165-F contains materials from Vice President and Mrs. Bush's staff members.

The Staff and Office Files contain articles, correspondence, remarks, and schedules maintained by individual staff members and offices. The bulk of these records contain variations of schedules and planning materials for Mrs. Bush's trip to New Orleans for the 1988 Republican National Convention. There are copies of articles, including the ones written by Mrs. Bush for *USA Today* during the convention. Correspondence in these files include notes between staff members sorting out remarks and schedules. There are also notes and letters from Mrs. Bush after the convention to those that hosted her while she was in New Orleans. Among the remarks are those she gave at different appearances, such as breakfasts as well as her introduction by Dr. Louis Sullivan during the convention.

The following is a list of documents and folders processed in response to FOIA 2017-2165-F.
