### Inventory for FOIA Request 2018-1094-F

## Selected Records on Richard N. Bond Republican National Committee (RNC) Chairman

#### **Extent**

25 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, June–July 2019. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; and Bush Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not

wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

### **Scope and Content**

The materials in FOIA 2018-1094-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2018-1094-F contains materials related to Richard Nixon Bond, who served as the 55<sup>th</sup> chairman of the Republican National Committee from 1992–1993.

The White House Office of Records Management (WHORM) Alphabetical Files contain letters from the general public and Mr. Bond, as well as copies of autographed photos from a visit to the White House by the Bond Family.

The WHORM Subject File categories contain correspondence and news clippings concerning Mr. Bond's role in the Republican Party and the 1992 election.

The Staff and Office Files contain information related to two appointments Mr. Bond held during the Bush administration.

The following is a list of documents and folders processed in response to FOIA 2018-1094-F.
