Inventory for FOIA Request 2018-1099-F

Records on Vice President Bush's Daily File November and December 1988

Extent

65 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, October 2019. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not

wholly responsive to the subject area.

Scope and Content

The materials in FOIA 2018-1099-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2018-1099-F contain materials from the Vice Presidential Daily Files which were a separate, working set of records for the Vice President and maintained by his administrative assistant Patricia (Patty) A. Presock, as Chronological Files. The materials found here were selected to be in this particular collection by President Bush or Patty Presock. These records date from November 1, 1988 to December 31, 1988.

Documents of note in this collection include: speech cards used on election night of 1988; handwritten notes of phone calls between President-Elect Bush and members of the Republican leadership, former and current government officials, and prominent members of American society concerning transition and staffing; letters of congratulations; daily news summaries; Friday Follies; and schedules.

The following is a list of documents and folders processed in response to FOIA 2018-1099-F.
