Inventory for FOIA Request 2019-0114-F

Selected Records Related to the Dalai Lama, Tibet, and the Immigration Act of 1990

Extent

75 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, August 2019. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in four collection areas—Bush Presidential Records: WHORM Alphabetical Files; Bush Presidential Records: WHORM Subject Files; Bush Presidential Records: Staff and Office Files and Bush Vice Presidential Records: Staff and Office Files. As policy, WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed

from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Related Collections

Related material may be found in FOIA request 1998-0397-F entitled "Records Related to the Dalai Lama's Relationship with the United States and China."

Scope and Content

The materials in FOIA 2019-0114-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2019-0114-F contains materials from agencies and individuals including members of Congress and interest groups concerning the US relationship with Tibet and the Immigration Act of 1990.

The White House Office of Records Management (WHORM) Alphabetical Files contains a letter from and individual about immigration and jobs.

The WHORM Subject File categories contain correspondence concerning the U.S. position on the United Nations resolutions concerning Tibet and China.

The Staff and Office Files contain correspondence, memoranda, and publications maintained by individual staff members and offices. The majority of these records concern the development and administration views on the Immigration Act of 1990. There are a few records concerning US/Tibet relations.

The following is a list of documents and folders processed in response to FOIA 2019-0114-F.
