Inventory for FOIA Request 2020-0019-F

Selected Records on Freedom of Information Act (FOIA) and Executive Privilege

Extent

164 folders

Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, March 2023. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in three collection areas—Bush Presidential Records: Staff and Office Files; Bush Vice Presidential Records: Staff and Office Files; and Quayle Vice Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not

wholly responsive to the subject area.

Scope and Content

The materials in FOIA 2020-0019-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

The Staff and Office Files contain materials primarily from the White House Counsels Office and Vice President Quayle's Legal Counsel's Office pertaining to several Freedom of Information Act (FOIA) requests related to a variety of topics—especially that of Executive Privilege—which were filed by U.S. citizens and various businesses, news media, and interest groups. The files contain originals among the responsive documents as well as redacted copies of the same which were provided to the requestor(s).

The following is a list of documents and folders processed in response to FOIA 2020-0019-F.
