### Inventory for FOIA Request 2021-0286-F

## Records on Armand Hammer

#### **Extent**

6 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, December 2021. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in two collection areas—Bush Presidential Records: WHORM Subject Files and Bush Presidential Records: Staff and Office Files. As policy, WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "\*" indicates that the category is entirely processed and open.

### **Scope and Content**

The materials in FOIA 2021-0286-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

These files contain correspondence and printed material. Most of the correspondence consists of letters and memoranda from the White House, the Department of Justice, a private attorney, and Mr. Hammer related to executive clemency. Other correspondence recommends the reappointment of Mr. Hammer as chairman of the President's Cancer Panel. The printed material consists of newspaper articles about Mr. Hammer's pardon request.

The following is a list of documents and folders processed in response to FOIA 2021-0286-F.
