### Inventory for FOIA Request 2022-0260-F

## Records on Vice President/President George H.W. Bush Correspondence with Congressman Tom Ridge of Pennsylvania

#### **Extent**

124 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, April 2023. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in six collection areas—Bush Presidential Records: WHORM Alphabetical File; Bush Presidential Records: WHORM Presidential Handwriting File; Bush Presidential Records: WHORM Subject File; Bush Vice Presidential Records: Name File; Bush Vice Presidential Records: Subject File; and Bush Vice Presidential Records: Staff and Office Files. As policy,

WHORM Alphabetical Files and WHORM Subject Files are processed at the document level. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

### **Scope and Content**

The materials in FOIA 2022-0260-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2022-0260-F contains materials related to correspondence between Congressman Tom Ridge's (R-PA) office and George H.W. Bush's vice presidential and presidential offices, respectively.

The materials include memoranda and correspondence from the congressman's office from his staff requesting official photographs from the White House and invitations for Bush to speak at various conferences, rallies, and functions. Also included is correspondence supporting candidates for several presidential appointments within the Reagan and Bush administrations.

The following is a list of documents and folders processed in response to FOIA 2022-0260-F.
