### **Inventory for FOIA Request 2022-0849-F**

## **Records on National Security Review 13 (NSR-13) National Security Review on International Narcotics Activities**

#### **Extent**

5 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, July 2022. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

### **Related Collections**

Related material may be found in FOIA requests 2005-1002-F entitled, "NSC/DC Meetings Files"; 2005-1003-F entitled "NSC Meetings Files", 2010-1632-S entitled "National Security Directives"; and 2010-1905-S entitled, "Records on National Security Review Meetings Files". Researchers should consult the archivist about additional related materials.

### **Scope and Content**

The materials in FOIA 2022-0849-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2022-0849-F contains correspondence, divider pages, and tables of contents.

The Staff and Office Files contain documents maintained by Richard L. Canas' office staff. His files consist of a memo requesting a review and concurrence on a draft of NSR-13. The divider pages denote different sections of NSR-13 and the tables of contents summarize the parts of NSR-13.

The following is a list of documents and folders processed in response to FOIA 2022-0849-F.
