### Inventory for Systematic Request 2022-0896-S

## Records of Virginia Lampley National Security Council—Legislative Affairs Directorate

#### **Extent**

549 folders

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, December 2022. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records for this systematic project were found in the following collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. The Meeting and Subject files have been archivally arranged (Meetings by date; Subjects in alphabetical order) in order to assist the research scholar in locating appropriate records.

## **Related Collections**

Because Lampley served as the Director of the Legislative Affairs Directorate, these materials are related to a variety of other National Security Council staff members and offices too numerous to list here.

## **Biographical Note**

A native of Philadelphia, Pennsylvania, Virginia Lampley was educated at Miami University in Ohio and Georgetown University. She served as an officer in the U.S. Air Force with assignments in various intelligence positions and within the office of legislative liaison. On March 13, 1989, President Bush appointed Lampley as the Special Assistant to the President for National Security Affairs and Senior Director for Legislative Affairs on the National Security Council. Previously, she had served as a client executive with DGA International, representing international corporations within the United States. Lampley resigned on November 4, 1992.

## **Scope and Content**

The materials in this collection are a systematically processed body of documents responsive to the topic. Researchers should consult the archivist about related materials.

These records consist of correspondence, reports, agendas, memoranda, meeting minutes, lists, and statements of administration policy concerning legislative actions by the U.S. Congress that the President determined affected national security and were coordinated through the National Security Council.

It should be noted that a significant number of the documents listed here are security classified and have been closed under the restrictions of the Freedom of Information Act.
