System of Arrangement

Records for this systematic project were found in the following collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

- 1998-0034-F—Records on Pan Am Flight 103 Disaster
- 1999-0137-F—Records on Vice President Bush’s Task Force on Combatting Terrorism
