Access

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, October 2022. Previously restricted materials are added as they are released.

System of Arrangement

Records for this systematic project were found in the following collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

Related Collections

Related material may be found in the following FOIA request:

- 2000-0233-F—Records on NATO, Post-Cold War
- 2000-1202-F—Records on U.S. Policy Toward Post-Coup Soviet Union/Former Soviet Republics
- 2004-0248-F—Records on the Conference on Security and Cooperation in Europe (CSCE)
- 2010-2614-F—Records on CFE (Conventional Forces in Europe)

Biographical Note

Craig Chellis served as Director for Defense Policy and Arms Controls from 1992 to 1993. His primary areas of responsibility included arms control, proliferation, NATO, Open Skies, CFE and CSCE.
