### Inventory for FOIA Request 2023-0174-F

## Records on Truman Strategy

#### **Extent**

1 folder

#### **Access**

Collection is open to all researchers. Access to Bush Presidential Records, Bush Vice Presidential Records, and Quayle Vice Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### **Copyright**

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George Bush's presidency and vice presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processed By**

Staff Archivists, December 2022. Previously restricted materials are added as they are released.

#### **System of Arrangement**

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: Staff and Office Files. Staff and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

**Related Collections**

Related material may be found in FOIA request 1998-0251-F entitled "Budget Negotiations 1989 to 1990."

**Scope and Content**

The materials in FOIA 2023-0174-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

The Staff and Office Files contain memoranda, newspaper articles, speeches, and transmittal notes, maintained by individual staff members and offices. The records of John Schmitz concern the so-called "Truman Strategy," the hallmark of which was appealing directly to the American people regarding domestic issues.

The following is a list of documents and folders processed in response to FOIA 2023-0174-F:
