#### Processed By

Staff Archivists, August 2006. Previously restricted materials are added as they are released.

#### Scope and Content

The materials in 2006-1073-S are a selective, not necessarily all inclusive, body of documents. Researchers should consult the archivist about related materials. CO088 is a secondary subject category which consists of coversheets, letters, memos, notes, a press release, printed materials, receipts, and telegrams. These documents relate to the civil unrest in Liberia, the resulting criminal, economic, and social problems, and the U.S. aid to that country.

#### System of Arrangement

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete

listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
