Processed By

Staff Archivists, August 2006. Previously restricted materials are added as they are released.

Scope and Content

The materials in 2005-1503-F are a selective, not necessarily all inclusive, body of documents. Researchers should consult the archivist about related materials. CO124 is a secondary subject category containing coversheets, memos, notes, letters, a list, speeches, and press releases. President Bush invited Peruvian President Alberto Fujimori to an official working visit on September 17, 1991. Many of these documents relate to this invitation, the visit, or the general topic of U.S. aid to Peru in light of the American anti-drug traffickers stance.

System of Arrangement

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a

series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
