FG036-04 is a secondary subject category containing correspondence, cover sheets, papers, and press releases regarding the Senate Committee on Armed Services. Topics discussed include Army Corps of Engineers budget cuts, Department of Energy testimony before the Committee, and Committee questioning of Secretary of State James Baker during the pre-Gulf War period.

System of Arrangement

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete

listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
