Dear //:

Thank you for joining three of your colleagues in sending a telegram to the President expressing your support for the U.S. response to Iraq's invasion of Kuwait.

As a member of the Senate Foreign Relations Committee, your observations regarding the role of the United Nations in addressing the current crisis and your views on the importance of a multilateral effort to ensure the effectiveness of sanctions against Iraq are most appreciated. Please know that I have shared your comments with the President. Additionally, I have taken the liberty of providing your remarks to the President's national security advisors so that they, too, are aware of your views.

Thank you again for your interest in writing.

With best regards,

Sincerely,

Frederick D. McClure
