Dear Dr. McKenzie:

Thank you for your recent cable to White House Chief of Staff John Sununu on your thoughts concerning the evacuation of foreign nationals from Iraq and occupied Kuwait.

As the President noted in his speech of August 8, one of the most important objectives of the United States in the Middle East is the protection of American citizens living and working in Iraq and Kuwait. Be assured that every option is being considered in our efforts to resolve the crisis.

Thank you again for your interest in writing.

With best regards.

Sincerely,
