Dear Mr. Waring:

Just a note to let you know I appreciate your suggestion about the conflict in the Persian Gulf.

While we disagree on tactics, I think you will agree with me that our brave service men and women are doing a tremendous job. Our troops will come home as soon as their work is done, and they'll come home with their heads held high.

Best wishes.

Sincerely,

A

Dear Mr. Waring:

Just a note to let you know I appreciate your suggestion about the conflict in the Persian Gulf. However, we and our coalition partners remain ^{convinced} determined that Iraq must ^{be forced to} withdraw its troops from Kuwait without condition. Iraq's compliance with the United Nations resolutions can stop this conflict. Until a massive withdrawal begins, we will continue to fight ^{the} ~~this~~ war on our terms, and we will prevail.

While we disagree on ^{tactics} policy, I think you will agree with me that our brave service men and women are doing a tremendous job. Our troops will come home as soon as their work is done, and they'll come home with their heads held high.

Best wishes.

Sincerely,

GB
