DEPARTMENT OF THE TREASURY MASHINGTON

The Honorable Jim Sasser chairman Subcommittee on Military Construction Committee on Appropriations United States Senate Washington, D.C. 20510

Dear Mr. Chairman:

This letter requests the repeal of section 131 of Public Law 101-519, "Making appropriations for military construction for the Department of Defense for the fiscal year ending September 30, 1991, and for other purposes." Section 131 authorizes the President to vest and liquidate Iraqi assets to meet repayment obligations of Iraq to the Commodity Credit Corporation and, if further Iraqi assets remain, to other U.S. nationals. The Department of the Treasury requests repeal of this section for the following reasons.

first, this provision was never passed by the Congress, but was enacted into law due to an enrolling error. Second, section 131 would unreasonably tie the hands of the President in settling claims, should vesting Iraqi assets ever be considered. Third, section 181 discriminates against all private and most public sector U.S. claimants in requiring that proceeds of vested Iraqi assets be applied first to repayments to the Commodity Credit Corporation.

For these reasons, the Department of the Treasury strongly urges that the Congress repeal section 131. The Office of Management and Budget has advised that elimination of section 131 would be consistent with the program of the President.

sincerely,

Jeanne 3. Archibald

FROM:

STEPHEN G. RADEMAKER

ASSOCIATE COUNSEL TO THE PRESIDENT

SUBJECT:

Treasury Proposed Report on Repeal of Section 131

of P.L. 101-519, Regarding Iraqi Assets

Pursuant to your request, Counsel's Office has reviewed the above-referenced matter. We are unpersuaded of the necessity of the proposed report for two reasons. First, the section which Treasury proposes to repeal contains merely an authorization for action by the President, not a requirement that he act. Second, the authority provided by the section appears to overlap authority that has been vested in the President since 1917 by the Trading With the Enemy Act, 50 U.S.C. app. sec. 1 et seq. It is unclear why Treasury would propose repeal of this section on policy grounds while not also proposing repeal of the Trading With the Enemy Act. For these reasons, Counsel's Office does not concur in the proposed report.

Thank you for bringing this matter to our attention.

DEPARTMENT OF THE TREASURY

The Monorable Jim Sasser Chairman Subcommittee on Military Construction Committee on Appropriations United States Senate Washington, D.C. 20510

Dear Mr. Chairman:

This letter requests the repeal of section 131 of Public Law 101-519, "Making appropriations for military construction for the Department of Defense for the fiscal year anding September 30, 1991, and for other purposes." This provision was enacted into law due to an enrolling error, notwithstanding its failure to obtain Congressional approval.

Section 131 authorizes the President to vest and liquidate Iraqi assets to meet repayment obligations of Iraq to the Commodity Credit Corporation and, if further Iraqi assets remain, to other U.S. nationals. The Department of the Treasury is generally opposed to the vesting of foreign-owned assets in the United States. Such vesting has negative implications for the foreign investment climate in the United States, raises questions of liability under international law, and may interfere with diplomatic efforts to resolve the crisis in the Persian Gulf after the present military action.

The Department of the Treasury strongly urges that the Congress repeal section 131, which was enacted into law due to an administrative error. The Office of Management and Budget has advised that elimination of section 131 would be consistent with the program of the President.

Sincerely,

Jeanne S. Archibald
