Dear Mr. President:

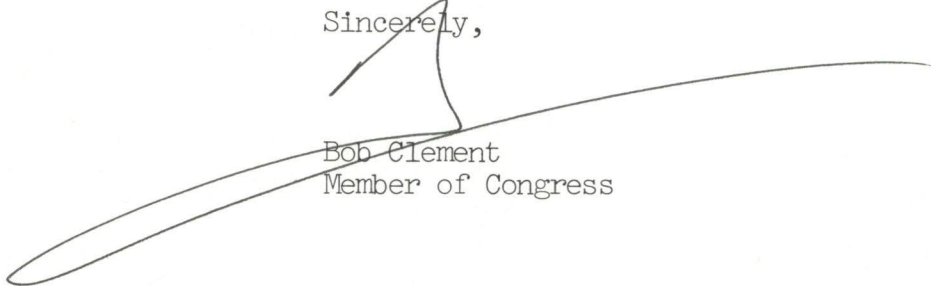

At the request of Kurdish-Americans residing in my District as well as citizens concerned about the treatment of the Kurds at the hands of Saddam Hussein and the Iraqi military, I enclose a petition for your consideration.

As you can see, the petitioners request your assistance in protecting the Kurds from further harm and providing much-needed humanitarian assistance. I know that you have already ordered U.S. military forces to provide such protection and assistance and, in behalf of the petitioners, I thank you.

I appreciate your consideration of the feelings behind the petition and if I can be of assistance in responding to these feelings, I hope you will not hesitate to call me.

Thank you.

President George Bush  
Office of the President  
1600 Pennsylvania Avenue N.W.  
Washington, D.C. 20500

Dear President Bush:

We are sending you this letter as concerned American citizens to urge you to help end the annihilation of the Kurdish Iraqi civilians who, as you know, did not participate in the war against the allied forces. We believe this help could and should be given. Listed below are several suggestions:

1. Prohibiting the use of helicopter gunships
2. Prohibiting the use of heavy artillery against the KURDISH PEOPLE
3. Providing urgently needed food and medicine.

We believe a kinder and gentler world order will begin when you help to end the massacre of these defenseless people.
