Dear Chuck:

Thank you for your recent letter to the President, cosigned by 225 of your colleagues, regarding plans for peace in the Middle East.

We appreciate being apprised of your recommendation that official recognition of Israel by members of the Arab league be a top priority in the Administration's agenda for peace in the region. Please know that I have shared your comments with President Bush. Additionally, I have taken the liberty of providing your remarks to the President's national security and foreign policy advisors so that they, too, are aware of your recommendations.

Thank you again for your interest in writing.

With best regards,

Sincerely,

Frederick D. McClure

The President
The White House
Washington, D.C. 20500

Dear Mr. President:

You have accomplished America's military objectives in the Gulf with great success, and we in Congress trust that you will bring the same skill to bear on the forging of a lasting peace in the Middle East. We have before us a historical opportunity to achieve just that.

To this end, we ask that you place official recognition of Israel by the members of the Arab league at the top of your agenda for peace in the Middle East. The first step forward on this road to peace should be taken by Kuwait and Saudi Arabia. The United States liberated Kuwait, and safeguarded Saudi Arabia. We must ask those states to be equally firm in their commitment to peace in the Middle East.

Since Israel's birth, the official state of war declared against her by the Arab states has been a major stumbling block preventing true peace. Now, while all of our thoughts are focussed on peace in the Gulf region, Kuwait and Saudi Arabia should unconditionally recognize the sovereignty of Israel, and establish formal diplomatic relations. We ask that you carry that message.

Respectfully submitted,

Vig Hefny
