Governor John Sununu
Chief of Staff
The White House

Dear Governor Sununu:

As I'm sure you are aware, unemployment in the construction trades is increasing on a daily basis. Some local unions in New Hampshire are experiencing 50% unemployment. With all the forth coming work in Kuwait, I was asked to forward a letter to you inquiring whether you knew of any contacts that could be utilized by some of our members seeking employment in the Gulf.

What we really need is the start-up of unit 2, but that is not in the near future, so we will settle for any information which you may have that could afford an opportunity for some of our people to work in the Gulf.

Thank you for your consideration in advance.

Best Wishes,

James D. Casey
