Dear Mr. President:

I as a Freed Kuwaiti Citizen, wish to express my sincere gratitude for the gallant effort you as Commander in Chief have afforded my country. Your steadfast commitment will never be forgotten, nor can it ever be repaid. Our hearts will always be with you and the American People.

On this occasion, I am writing the foregoing letter as a Kuwaiti General Contractor working with the United States Army Corps of Engineers (KERO). The tireless pursuit of restoration by your engineers has been incredible. To see one's country destroyed and rebuilt, all within one year leaves me speechless. Many times I have wished for the opportunity to thank you for all the support your country has given.

May God bless you and the United States of America.

Sincerely,

Mr. Ghazi Al-Saqabi
