I am pleased to send greetings to everyone gathered for this special occasion dedicated to U.S. troops in the Persian Gulf region. This is a wonderful way to stand in solidarity with our brave service men and women who are now taking part in the liberation of Kuwait.

The United States has acted in cooperation with its coalition partners to resist unprovoked aggression and to defend the lives of innocent people. Our troops' mission -- to restore Kuwait's sovereignty and to promote the security and stability of the entire region -- is a noble one; yet, it is also fraught with difficulty and danger. Saddam Hussein's blatant violation of international conventions regarding the treatment of POW's and his willingness to target innocent civilians with SCUD missiles have outraged millions of people and have only served to strengthen our resolve.

The daily course of armed conflict is often unpredictable; and, yes, we will have our "ups and downs." However, one thing is certain: we will prevail. Our reward will be the dawning of a new world order, one of respect for the rule of law. I am grateful that our troops face the challenges before them knowing that they have the steadfast support and heartfelt prayers of millions of people like you.

On behalf of our service men and women, thank you, and God bless you.

Dear George:

You have, I'm sure, received thousands of congratulatory messages regarding your State of the Union speech last night. May I add mine and Gini's to the rest...it was truly extraordinarily impressive. Your courage, compassion and diplomacy are an inspiration to the world.

I want to thank you for the note you sent concerning the Galveston Daily News editorials written by Les Daughtry. I shared it with him and he was pleased and impressed with your responding considering all that was going on at the time. He recalled the day that he had lunch with you and Chris Ann Vogelpool in 1965. He is a great admirer of yours and a big supporter of the party.

Galveston is having a county wide "Day of Pride" to show our support of America, our country's cause, and especially our troops in the Persian Gulf. This program is sponsored by the Galveston County's Mayor's and Councilmen's Association and will be celebrated in each city in the county.

Galveston County has appropriately chosen President's Day, Monday, February 18, for their "Day of Pride". The major celebration on Galveston Island will take place at the Moody Convention Center from 6 pm until 8 pm. We would be most appreciative if you could send a proclamation or message to be read to those attending this event.

Our thoughts and prayers are with you and for you and yours.

Sincere best wishes,

Harry W. Brown, Captain USCGR (Ret.)

ATT: PRESIDENT'S MESSAGES

Dear sirs:

On President's Day, Monday, February 18, 1991, the Operation HomeFront of Dade County, the U.S.O., the Vietnam Veterans of Dade County Chapter 121, Penrod's Beach Club and the City of Miami Beach will be hosting a massive rally on the beach to support our troops in the Middle East and to raise funds for their families at home.

The entire community is pulling together to let our American troops in the Gulf know that their commitment and sacrifices are not, and will not be diminished, as well as to raise funds to benefit our homefront heroes: the troops' families.

Local bands are donating their time to put together a non-stop concert on the beach, various corporations are participating in the HomeFront Volleyball Corporate Challenge by sponsoring their teams, the local media is also participating by challenging each other in a Volleyball Media Match. Celebrities, politicians, and military organizations will also join us in this worthwhile effort. All events are taking place on the beach behind Penrod's Beach Club.

We would like this year's President's Day to have a real special meaning for our community and what better way than to have our own President of The United States of America salute the troops' families in Dade County. His letter of support would mean the world to them.

Please accept this request on behalf of all the parties mentioned above and we all thank you from the bottom of our hearts for your kind support.

Sincerely yours,

Desert St. Support*

Dear Linda:

On Sunday, February 17th the Gladstone, Missouri, Chamber of Commerce is sponsoring a patriotic rally to support the President and our troops in the Gulf.

Participants will include Congressional Medal of Honor holder Lt. Col. Donald Ballard and a number of veterans who were awarded the Purple Heart during active duty service. I understand that a number of local officials and possibly Missouri Governor John Ashcroft will be in attendance. However, the focus will be on the men and women and families of those in the area who are currently serving in the Persian Gulf. Chamber officials estimate that there will be 3000 people at the event.

These folks are solidly behind the President. A message from him would lift their spirits immeasurably and be deeply appreciated. If such a message can be arranged by the 17th, it should be sent to:

Dear Mr. Calio:

A group of citizens in my Congressional District has organized in support of our military troops serving in the Middle East, and is holding a public rally to demonstrate their support. The "T.L.C. Desert Storm Support Committee" of Pagosa Springs, Colorado has asked me to arrange for remarks from President Bush to be sent to them so that they may share his comments with the people attending the rally.

The rally will take place in the gymnasium of the Pagosa Springs High School on Friday, February 15, 1991 at 7:30 p.m. I will not be attending in person, but I have forwarded my statement of support and encouragement to be read at the rally. I would appreciate it if you would obtain a statement of greeting and support from the President and send a telefax of his remarks to Mrs. Janet Keith, who is a member of this committee and also a mother of a person in military service in the Middle East. Mrs. Keith's telefax number is (303) 731-2103.

I apologize for this late request, but I understand that the community of Pagosa Springs has shown great spirit in organizing this event on short notice. Thank you for your cooperation. If you have any questions, please contact Jane Wilson of my staff at 225-4761.

Our troops' mission -- to restore Kuwait's sovereignty and to promote the security and stability of the entire region -- is a noble one; yet, it is also fraught with difficulty and danger. Saddam Hussein's blatant violation of international conventions regarding the treatment of POW's and his willingness to target innocent civilians with SCUD missiles have outraged millions of people and have only served to strengthen our resolve.

The daily course of armed conflict is often unpredictable; and, yes, we will have our "ups and downs." However, one thing is certain: we will prevail. Our reward will be the dawning of a new world order, one of respect for the rule of law. I am grateful that our troops face the challenges before them knowing that they have the steadfast support and heartfelt prayers of millions of people like you.

On behalf of our service men and women, thank you, and God bless you.

PARADE AND RALLY

Saturday, February 16th

Assemble West Lawn, U.S. Capitol -- 12noon

Parade to the White House -- 1pm

Rally to follow at The Ellipse

It's time to show the troops you care!

For more information and where you can help out, please contact the Coalition for American Pride/Operation Desert Support (P.O. Box 66054, Washington, D.C. 20036, 202-269-2153) or Friends of the Armed Forces in the Persian Gulf (444 North Capitol Street NW, Suite 716, Washington, D.C. 20001, 202-347-3189).

SUPPORT OUR TROOPS

(WASHINGTON, D.C.) The Coalition for American Pride/Operation Desert Support will be sponsoring a major parade and rally in support of the members of the armed forces serving in the Persian Gulf on Saturday, February 16th starting at 12noon on the West Lawn of the U.S. Capitol.

CAP/ODS, a grassroots citizens group, has organized a parade featuring marchers from military families of all services, veterans, and supporters of the troops. The parade will start at approximately 1:00pm, and travel the length of Pennsylvania Avenue, NW to the White House. The parade will end in The Ellipse, where a rally with speakers will be held.

The focus of the rally is the people who are uniquely involved with the troops in the Gulf. Confirmed speakers include parents and relatives of people currently serving, as well as a soldier who will soon be departing for the Persian Gulf. Members of Congress and civic leaders have also been asked to address the crowd. The rally is expected to commence at 2:30pm, and end at approximately 4:00pm.

CAP/ODS was formed by a group of concerned citizens to centralize efforts to support the troops in the Persian Gulf. The Coalition for American Pride serves as a means to coordinate rallies and public events, while Operation Desert Support seeks to organize blood drives and encourage correspondence between soldiers overseas and people on the homefront. CAP/ODS is a non-partisan organization.

"We hope that our parade and rally this weekend will send a message of support to our troops," says CAP Chairperson Jennifer Schmidt, whose son, Philip, is currently serving with the 82nd Airborne in Saudi Arabia. "It's the least I can do for the troops, and for my only son."

Mr. President:

I am writting to inform you that I am in the process of organizing a rally in support of our men and women in the Middle East. I feel you should know I am not affiliated with any political or civic organization, yet, I believe this rally is in alignment with what you, as President, wish for these United States, united support for our troops.

My purpose is United Support for our troops. Hence, the name of the rally is Arizona United Support Rally.

My goal is to bring the citizens of the great state of Arizona, regardless of their political beliefs, together for one afternoon in united support of the troops.

My conviction in this matter is driven by what I see as the beginning of a division of my great country. I had seen a man on T.V. the other night who stated that we need the biggest division this country has ever seen. I know he was very wrong.

My motivation is the individual service person. I feel that the last thing these men and women need on their minds is what we will think of them when they come home. I do not want any of them to hesitate in doing something that they

must do in order to survive. They must know that "we the free" who enjoy all the freedoms of this country support them in all they must do.

I have attached a copy of the press release, our chant and rally song. I hope you approve.

If there is anything you wish to be said at the rally, we would be honored to have it read.

Respectfully,

Theresa A. Melikian

Dear President Bush:

I'm writing to you on behalf of the city of Milton-Freewater, Oregon to find out if it would be possible for you to send us a letter in support of our Patriots Parade, scheduled for Saturday, February 16, at 10 a.m.

The Chamber of Commerce has planned the parade in support of our service men and women fighting in the Gulf War. We anticipate more than a thousand participants in this community of only 5,700 people, with groups from throughout southeastern Washington and northeastern Oregon calling in daily to ask if they can participate in the parade. It is entirely possible that by February 16 we will have as many people in the parade as we will have watching it.

I think this event will be prototypical of the kind of support which our troops are and will continue to receive in small-town America. Regardless of the differences of opinion which exist concerning whether or not America should have become involved in a war with Iraq, towns like Milton-Freewater are overwhelmingly united in their support of our troops engaged in the fighting.

We also have a plan which may be unique among the many towns across America which are sponsoring parades. We plan to video tape the parade as well as its closing ceremonies and send copies of the tapes to all of our local servicemen and women in Saudi-Arabia, so that they can view the event on their base VCR's and get a good look at the support their friends and neighbors are giving them.

If you would be willing to send us a letter, we would like to read it at the parade's closing ceremonies, which should be attended by at least one thousand people.

Thank you for your consideration of the above.

Cordially,

Whitney Ellis
Executive Director
Chamber of Commerce

The Honorable George Bush
President of the United States of America
The White House
Washington, DC

Dear Mr. President:

The business association of Vienna, West Virginia, as a show of our deep support for the men and women committed to duty in Operation Desert Storm, will sponsor a parade on the afternoon of Sunday, February 17, 1991. Being close to Valentine's Day, we have named this effort "Operation Heartbeat".

Each vehicle participating in our parade must display the American Flag or the colors red, white and blue. The parade will culminate at our local mall where we will have brief remarks from local government officials, the VFW, Operation M.A.S.H. (Mothers Against Saddam Hussein) high school bands playing "The Star Spangled Banner" and "God Bless America", Boy Scouts, Girl Scouts, R.O.T.C. and many, many more. In short, this is small town America, doing what small towns historically do best, supporting our country and its sons and daughters who so proudly serve. Our hearts are full of prayers and hope for each and every one of them.

We wish, Mr. President, that you could be our featured speaker. The standing ovation you received during your State of the Union address would be pale in comparison to the thunderous support you would receive here in Vienna, West Virginia. We realize this request is impossible, so instead we humbly and respectfully request a brief message prepared by your staff that could be read during our ceremony. We realize that February 17 is not far away and apologize for the short notice but we will await and hope for a response from your staff.

Very truly yours,

Desert - Desert Storm Rally

Feb. 5
~~January 25,~~ 1991

I am pleased to send greetings to everyone gathered for this special occasion dedicated to U.S. troops in the Persian Gulf region. This is a wonderful way to stand in solidarity with our brave service men and women who are now taking part in the liberation of Kuwait.

The United States has acted in cooperation with its coalition partners to resist unprovoked aggression and to defend the lives of innocent people. Our troops' mission -- to restore Kuwait's sovereignty and to promote the security and stability of the entire region -- is a noble one; yet, it is also fraught with difficulty and danger. Saddam Hussein's blatant violation of international conventions regarding the treatment of POW's and his willingness to target innocent civilians with SCUD missiles have outraged millions of people and have only served to strengthen our resolve.

The daily course of armed conflict is often unpredictable; and, yes, we will have our "ups and downs." However, one thing is certain: we will prevail. Our reward will be the dawning of a new world order, one of respect for the rule of law. I am grateful that our troops face the challenges before them knowing that they have the steadfast support and heartfelt prayers of millions of people like you.

On behalf of our service men and women, thank you, and God bless you.

Dear Mrs. Sennett:

Thank you for your letter in which you invite the President to attend your support march on February 9.

We are most appreciative of your thoughtful invitation for the President to be a part of this occasion. I regret that the President's schedule is such that his attendance cannot be arranged. Unfortunately, with so many demands on his time, he must often miss special opportunities as is the case this time.

I know that the President in regretting would want me to convey to you his very best wishes for a successful event.

Attention President Bush:

It has been brought to our country's attention, the devastating, yet necessary involvement of our military troops in the Middle East. This war that has broken out, not only enstills fear in our blood and bones, but it brings with it the realization of the true purpose of our military.

As a nation we are responsible to continuously support our men and women who are with great honor, demonstrating their devotion to our country. These times call for unity in the American people. Confirmation of our support to these troops, and our support to the President and Government needs to be emphasized. It is essential to keep up our country's morale and most important the men and women, there now, along with those awaiting deployment.

I have organized a support march with intentions to do just that. We can display the patriotism, now stronger than ever, and friends and family can take time to honor and recognize the performance of the military. I have enclosed for you all the information necessary to determine your availability, and await your response with anticipation.

On behalf of my family and myself please also know that we are very proud of all that this country has done thus far. You are demonstrating remarkable, and suitable leadership qualities. I am so very proud and fortunate to be able to call ourselves Americans, and are blessed with an excellent source of government.

Very Sincerely Yours,

Everyone in the Southwest Georgia area is urged to join family members of the troops in a special march and rally Saturday, February 9th in Blakely in support of our troops in the Middle East.

The march will begin at the Early County Middle School on the Columbia Highway at 10:00 a.m. and proceed to South Main and around the Court Square.

Everyone who plans to participate in the march is asked to meet at the Middle School at 9:30 a.m. New held American flags will be given to those participating in the march.

Anyone unable to march the entire route is encourage to join the rear of the march at any point they are able.

The march will be led by the troops' family members, followed by area veterans. Groups of students, civic clubs, churches, and elected officials will also be participating in the march.

Rally On Court Square

The march will be followed by a rally of patriotic activities on the south lawn of the Court Square.

The rally, which is schedule to last no longer than 45 minutes to an hour, will include prayer, patriotic music, military personnel and elected officials.

There will also be special recognition of the family members and veterans attending the rally.

Patriotic musical selections will be performed by a mass community choir, David Smith and Robert Bresch.

Local businesses are urged to fly their flags and display yellow ribbons in support of the troops Saturday.

Dear Mr. President;

On Sunday, February 10, 1991 at 2 p.m. in our school gym, the citizens of our town will be holding a rally to show our support for our men and women in operation Desert Storm, and also our troops everywhere throughout the world.

Our town is very small with a population of around 2300 people, but out of these we have received names of 25 men and women now serving in operation Desert Storm, so as you can see this has hit our community hard.

We would greatly appreciate a letter from you the families, and friends of these men and women to be read at our rally on February 10, 1991.

Our Mayor has signed a proclamation to dedicate the week of February 10 - 17 as Military Awareness Week. At our rally our local V.F.W. will post colors, the American Legion will have a speaker, our school band will play the National Anthem, two of our local pastors will say a pray for our service people and their families and for world peace. Our State Senator Bond will be sending a letter to be read if he cannot be present, Congressman Emerson, State Senator Lyber, and State Rep. Ken Fiebelman will either be present or send letters also.

We also have ribbons to be given out to be worn to show support for our country.

I am sorry we were late getting this request to you, but living in a small town sometimes we think getting through to the President is impossible, but we hope this proves wrong.

Thank you for your time in this matter. Please reply as soon as possible and Fax it to the Peoples Bank of Cuba, Fax # 314-885-2509, since our rally is this Sunday, February 10, 1991.

Dear Nick:

I write to request a letter from the President to be read at a rally. The rally is in support of our troops in the Gulf.

Enclosed is a copy of a letter I wrote for another rally held in Ft. Campbell, Kentucky, home of the 101st Airborne. This is the kind of letter that would be read at the rally. The rally will be held on February 10, 1991, in Clarksville, Tennessee. Clarksville is in my Congressional district and borders with Ft. Campbell. Many of my constituents work at Ft. Campbell.

I know this audience is supportive of the troops. They would be honored by a letter from the President.

I would appreciate any assistance with this matter. If you have any questions, please don't hesitate to contact Daphne at 225-2811.

With personal regards,

Sincerely,

Don Sundquist, M.C.

Dear Friends:

At this difficult hour for so many families, I must salute each of you for your quiet courage and for your support for our soldiers, sailors and fliers deployed in the Gulf. I wish very much that I had been able to be with you in person.

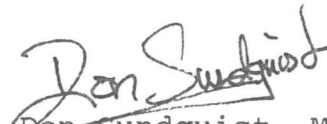

Our troops can draw no greater comfort and encouragement than the secure knowledge that, here at home, their families, friends and fellow citizens stand behind them. It is so very important that our troops understand that the noisy, disruptive protests they've seen on television do not represent the sentiments of the vast majority of Americans.

I am proud to stand with you in quietly demonstrating our prayerful support for our men and women in the Gulf, for the successful completion of their mission and their speedy return home.

God bless our troops.

God bless the United States of America.

And God bless you and your families and all who have loved ones in harm's way.

Don Sundquist, M.C.

THE WHITE HOUSE

WASHINGTON

I am pleased to send greetings to everyone gathered for this special occasion dedicated to U.S. troops in the Persian Gulf region. This is a wonderful way to stand in solidarity with our brave service men and women who are now taking part in the liberation of Kuwait.

The United States has acted in cooperation with its coalition partners to resist unprovoked aggression and to defend the lives of innocent people. Our troops' mission -- to restore Kuwait's sovereignty and to promote the security and stability of the entire region -- is a noble one; yet, it is also fraught with difficulty and danger. Saddam Hussein's blatant violation of international conventions regarding the treatment of POW's and his willingness to target innocent civilians with SCUD missiles have outraged millions of people and have only served to strengthen our resolve.

The daily course of armed conflict is often unpredictable; and, yes, we will have our "ups and downs." However, one thing is certain: we will prevail. Our reward will be the dawning of a new world order, one of respect for the rule of law. I am grateful that our troops face the challenges before them knowing that they have the steadfast support and heartfelt prayers of millions of people like you.

On behalf of our service men and women, thank you, and God bless you.

Dear Mr. President,

I served 4½ years in W.W.II, part of it overseas, and it makes me sick to my stomach to see the "ANTI WAR" demonstrators, screaming for the U.S. to get out and leave Saddam Hussein to run the Gulf area and control our oil flow.

I decided, as Commander of the Post, which has veterans from WW II, Korea and Vietnam, to have a SALUTE TO OUR BRAVE MEN AND WOMEN IN "DESERT STORM" and the Israeli Defense Forces on February 10th at 11:00 AM at the West Side Institutional Synagogue, 122 West 76th St. New York NY 10023.

I have arranged with other Synagogues to co-sponsor this meeting in order to convey our message of support for our troops.

We will have as speakers, Hon. Cong Bill Green, Dr. Heskell Haddad (formerly of Baghdad) and Lt. Col, Ofra Preuss.

Please send us your message of greeting, thank you very much.

To Whom It May Concern

Rally America was founded by Tootsie Wakely and co founded by Sandy Prater and supported by Americans everywhere. We are the hard working common men and women who are the back bone of America. We are not the protesting kind, but we feel strongly about America and her heros in the service, who fight and die for this country. We do not want to see what happened to our Vietnam Veterans happen again. I hope my fellow Americans will stand beside me and continue *Rally America Day* throughout the United States the week of the 10th each month until this conflict is resolved.

We will be selling and taking orders for T-shirts and sweat shirts at the Winchester Mall starting February 6. We are a non-profit group and the proceeds will be given to help the families of the service men and woman who were called up to serve in the gulf. We would appreciate all the publicity you can give us for this cause.

If you would like more information or a personal interview, please call me at 652-4275 or leave a message at 373-2359 and I will get back to you as soon as possible.

White House Special Messages:

On Sunday, February 10th, there is going to be a "Support Our Troops" rally in Jupiter, Florida.

Jupiter has one of the oldest-working lighthouses in the country. The Coast Guard has given permission to tie a huge yellow ribbon around the top of the lighthouse for all to see!

This rally will take place this Sunday at 1:00 pm and the sponsors of the rally hope that this unique message of support to the Persian Gulf troops will be picked up by the print and television media to relay to the Middle East.

The idea for this show of support originated with Ms. Susannah Carr of 217 Riverside Drive, Jupiter, Florida 33469; 407-746-8166. Ms. Carr has a cousin serving in the Gulf and wanted to rally support at home to show our troops we support their efforts over there.

In the interest of time, Ms. Carr has requested me to ask the President to send a letter of support to be read at the rally. She has given her fax number of 407-746-1055, or you can fax in care of my office at 407-626-4749 (Palm Beach Gardens' office).

Please contact Gail Tyndall at 407-627-6192 in my office if you need further information. Thank you very much.

Sincerely,

I am pleased to send greetings to everyone gathered for this special occasion dedicated to U.S. troops in the Persian Gulf region. This is a wonderful way to stand in solidarity with our brave service men and women who are now taking part in the liberation of Kuwait.

The United States has acted in cooperation with its coalition partners to resist unprovoked aggression and to defend the lives of innocent people. Our troops' mission -- to restore Kuwait's sovereignty and to promote the security and stability of the entire region -- is a noble one; yet, it is also fraught with difficulty and danger. Saddam Hussein's blatant violation of international conventions regarding the treatment of POW's and his willingness to target innocent civilians with SCUD missiles have outraged millions of people and have only served to strengthen our resolve.

The daily course of armed conflict is often unpredictable; and, yes, we will have our "ups and downs." However, one thing is certain: we will prevail. Our reward will be the dawning of a new world order, one of respect for the rule of law. I am grateful that our troops face the challenges before them knowing that they have the steadfast support and heartfelt prayers of millions of people like you.

On behalf of our service men and women, thank you, and God bless you.

Re: Support Rally

Thank you for your time on the phone today. We were sorry to learn that President Bush will not be able to make a personal appearance at our Desert Storm support rally this coming Saturday, but we appreciate your offer to provide a letter from the President to be read at the rally.

The details are as follows:

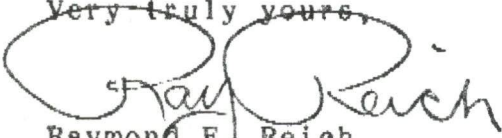

The purpose of the rally is to show the community's support for our men and women who are currently serving their country in Desert Storm. The entire rally will be videotaped and copies will be sent to the deployed troops from Shaw Air Force Base for their viewing. Shaw Air Force Base is located here in Sumter and is where General Charles Horner is stationed.

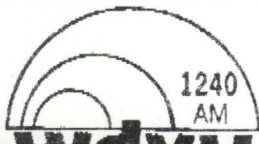

The activities will include comments from dignitaries, including Senator Strom Thurmond, performances by local bands and choral groups, a live performance of our official state song by it's composer, Hank Martin, free distribution of American Flags, and many other activities.

The rally is being sponsored by WDXY & WIBZ Radio in cooperation with our city and county. It is being held on the front lawn of the Sumter County Courthouse.

Linda, if you need any additional information, please feel free to call me.

Very truly yours,

Dear Mr. President,

Enclosed you will find a press release relating to an upcoming hometown community event, Sunday, February 10th.

In our planning meetings, we said how wonderful it would be if you and Mrs Bush could attend but, realistically we are sure that would be impossible. However, would there be any possibility of you sending us a short message via FAX or mail that could be read to our residents and friends of Pembroke Massachusetts. What a wonderful touch this would make for our day.

My daytime FAX # is 508 - 747-2148 in Plymouth, Massachusetts
My home address is 9 Vernal Rd., Box 533, Bryantville, MA 02327

I just sent you a packet with information about all the wonderful efforts of support going on here in Massachusetts just so you'll know that we are in support of you and our great soldiers which includes my 21 year old son.

Thank you very much for any help in this matter.

Very truly,

Sue Burge

THE WHITE HOUSE
WASHINGTON

April 11, 1991

I am pleased to send greetings to everyone gathered to honor the United States troops who have participated in Operation Desert Storm. This is a wonderful way to show our military personnel -- especially those whom we welcome home from the Persian Gulf and those who are yet to return -- that we are tremendously proud of them.

Our pride in our Armed Forces is equalled only by the greatness of what they have accomplished. Working together with our coalition partners, they have not only freed a small defenseless country from brutal aggression but also helped to lay the foundation for a more peaceful world -- one marked by respect for human rights and the rule of law.

However, while we give thanks to God for the success of Operation Desert Storm, we also remember those who made the ultimate sacrifice, those who lost loved ones, and all of the innocent people who have otherwise suffered as a result of this conflict. Let us pray for these individuals, and, yes, let us pray for the Iraqi people, that a just peace may come to their strife-torn land.

God bless you, and God bless the United States of America.

April 19

PRESENTED BY

The National Music Ministry Conference

Dear Friends:

We would like to inform you of an event that promises to be a **highlight** for the city of Jackson this year.

Jackson's own **Lanny Wolfe**, gospel recording artist, internationally famed gospel songwriter who composed the Dove Award winning song "More Than Wonderful" that received a Grammy Award by Sandi Patti and Larnelle Harris, along with the Lanny Wolfe Singers, will host an evening of Gospel Music at the Mississippi Coliseum on **Friday, April 19, at 7:00 p.m.**

Included in the program will be the **Lanny Wolfe Singers**, a 150-voice **Mississippi Mass Children's Choir**, and the 200 voice **Jackson Mass Choir** made up of members from the **First Pentecostal Church, Rev. Thomas Craft, Pastor**, and the **Jackson College of Ministries Choir** which has performed various times at the Governor's and Mayor's Prayer Breakfasts and the Ms Agricultural Annual Sunrise Service.

A highlight of the evening will be a **Special Patriotic Tribute** to the various branches of our armed forces including representation from each branch and a powerful multi-media presentation.

If you like **good gospel music** and want to celebrate the recent **American victory** along with our military, you will not want to miss this event. We will appreciate your spreading the "good word" to your friends. The event will be videoed and a live recording will be made. Tickets will be available at the door (\$8.00-adults, children under 12 free). If you have any questions, call 981-1615.

We'll look forward to seeing you for a great time Friday, April 19th, at the Coliseum.

Sincerely,
