Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Staff Archivists, August 2012. Previously restricted materials are added as they are released.

System of Arrangement

Records that are responsive to this FOIA request were found in one collection area—Bush Presidential Records: WHORM Subject Files. As policy, WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete

listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.

Please note that a single asterisk "*" indicates that the category is entirely processed and open.

Scope and Content

The materials in FOIA 2011-1444-S are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

The WHORM Subject File categories contain correspondence from American citizens voicing their concerns regarding the political turmoil in Kenya and head of state correspondence between President Bush and President Moi of Kenya.

The following is a list of documents and folders processed in response to FOIA 2011-1444-S.
