Processed By

Staff Archivists, 1996–1997. Previously restricted materials are added as they are released.

Scope and Content

The materials in ME001-02 (Birthday Greetings) are a systematically processed body of documents from the White House Office of Records Management (WHORM) Subject File. This secondary subject category contains requests for messages in honor of birthdays. Many of the individuals who received these messages had reached an extraordinary age. Birthday greetings are also sent to prominent individuals, including all members of Congress. In most instances, the draft and/or final responses provided by the White House Message Office to those requests are included.

System of Arrangement

Records that are responsive to this FOIA request were found in Bush Presidential Records: WHORM Subject Files.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
