Scope and Content

The materials in VA (Veterans Affairs - General) are a systematically processed body of documents from the White House Office of Records Management (WHORM) Subject File. This primary subject category contains letters from various groups, organizations, and individuals seeking to maintain or increase funding for the VA, seek funding for specific projects, seek redress for complaints against the VA or specific VA facilities, protest some planned action by the VA, or to seek correction of certificates issued by the VA. In this category, the most voluminous group of letters are those concerning funding for medical facilities and medical procedures. Also included are statements by the VA and other Administration agencies pertaining to legislation related to the VA.

System of Arrangement

Records that are responsive to this FOIA request were found in Bush Presidential Records: WHORM Subject Files.
