Inventory for Systematic Review

Records on WHORM Subject File CM009 (Guns and Related Products)

Extent

.53 ft.; box 6-7 scanned

Access

Collection is open to all researchers. Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, 1996–1997. Previously restricted materials are added as they are released.

Scope and Content

The materials in CM009 (Guns and Related Products) are a systematically processed body of documents from the White House Office of Records Management (WHORM) Subject File. This secondary subject category contains congressional, constituent and staff letters and memoranda pertaining to gun control. Specifically, this category includes legislative proposals to ban assault weapons (the Brady Bill) with many letters from constituents expressing a variety of opinions on the legislation. There is also information pertaining to debate over the 7 Day Waiting Period to purchase firearms. Of special note are over 400 letters from children asking President Bush to support the Brady Bill

System of Arrangement

Records that are responsive to this FOIA request were found in Bush Presidential Records: WHORM Subject Files.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
