The materials are a systematically processed body of documents from the White House Office of Records Management (WHORM) Subject File category FG017-06. These records consist of government forms, letters, press releases, and publications. These documents are related to the activities of the administrator of the Office of Juvenile Justice and Delinquency Prevention (OJJDP). The letters, addressed to President Bush and other administrative officials, are from private citizens writing to comment on nominations for the OJJDP administrator. There are also letters of

support for the office itself. The press releases announce President Bush's choice for the administrator position. The publications are *OJJDP Annual Report 1990* and *Juveniles Taken into Custody: Fiscal Year 1990 Report*.
