Inventory for Systematic Review

Records on WHORM Subject File HE008 (Radiological Health - Radon)

Extent

1 ft.; boxes 90-91 scanned

Access

Collection is open to all researchers. Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA)(5 USC 552 as amended) and the Presidential Records Act (PRA)(44 USC 22) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George Bush's presidency are housed at the George Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed By

Staff Archivists, 1996–1997. Previously restricted materials are added as they are released.

Scope and Content

The materials in HE008 (Radiological Health - Radon) are a systematically processed body of documents from the White House Office of Records Management (WHORM) Subject File. This secondary subject category has information on radiation, radon and related matters, such as: Risk assessments associated with dioxin; low-level radio-active dumping facility in North Carolina; radon-testing; radioactive contamination in the environment; 1989 Annual Report on the Administration of the Radiation Control for Health & Safety Act of 1968; The Radiation Exposure Act; The Radon Awareness and Disclosure Act of 1991; "Health Effects of Nonionizing Electromagnetic Radiation (N.I.E.R.) in the United States;" and "Opposing Deregulation of Radioactive Waste & Prohibiting the Disposal of Below Regulatory Concern

Radioactive Waste from any County Solid Waste Facility or Recycling Center."

System of Arrangement

Records that are responsive to this FOIA request were found in Bush Presidential Records: WHORM Subject Files.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
