#### Scope and Content

The materials in JL009 (War Claims – Alien Property) are a systematically processed body of documents from the White House Office of Records Management (WHORM) Subject File. This small secondary subject category includes letters from the general public and members of Congress relating to reparations for Japanese-Americans and Aleuts interned by the U.S. Government during World War II. It also contains some letters from citizens supporting or opposing reparations to the families of Iranians killed when the U.S. shot down an Iranian passenger plane over the Persian Gulf on July 30, 1988. Additional materials concern the return of Native American remains and funerary objects held in museums to Native American tribes.

**System of Arrangement**

Records that are responsive to this FOIA request were found in Bush Presidential Records: WHORM Subject Files.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
