Scope and Content

The materials in SO (Social Affairs) are a systematically processed body of documents from the White House Office of Records Management (WHORM) Subject File. This primary subject category contains letters, memoranda, and guest lists relating to White House social events in general. Letters from members of Congress, first family friends, and the general public request White House events and suggest possible guests for White House events. Members of Congress generally write requesting Rose Garden ceremonies for certain groups or to recognize the signing of legislation. A large portion of this category includes thank you letters from guests who attended White House events. Memoranda among White House staff include information about policies and procedures relating to White House social

events.

System of Arrangement

Records that are responsive to this FOIA request were found in Bush Presidential Records: WHORM Subject Files.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at <http://bushlibrary.tamu.edu/research/find/whorm/whorm.html>.
